11/15/2017

P: 9.170 m
E: 3.990 m

Sail Area: 23.051 m²

Construction: Designed using Quantum's iQ Technology® suite of computational tools. Non-aligned membrane construction featuring an integrated network of polyester yarns with 12000 dpi. Strung in straight X pattern and layered between polyester films and UV-stabilized polyester taffetas. Assembled using aerospace quality lamination techniques and thermo-set adhesives. Integrated corner and batten pocket reinforcements.

Includes: Spreader patches, high modulus leech and foot cords with cleats and purchase systems as necessary, telltales, draft stripes, sail numbers, cunningham, sail ties, drawstring sailbag, 4 Mid Batten Pockets, RBS Epoxy 15mm Battens, Reefs (1)

Base Price \$3,642.11

Total \$3,642.11

ISP: 8.100 m
J: 2.600 m
SPL: 2.600 m
Sail Area: 31.393 m²

Construction: Designed using Quantum's iQ suite of computational tools, constructed from Airx 600 (100%). Tri-Radial panels are laser cut, and assembled with oversized, tear drop shaped corner patches, extra layering and extensive reinforcement of high load areas throughout, with multiple webbing straps, stainless steel rings or Rutgerson press rings at head, tack, clew.

Includes: Choice of custom color scheme, sail numbers, luff rope and leech cord, drawstring bag
